Key = D Time = 4/4 ♩ = 102

Intro: G A | Bm | G A | Bm

Verse 1:

G A Bm
I see horizons in Your eyes where all creation came alive
G A Bm
You made it all, You made it all
G A Bm
You spin the planets round the sun, You fit the pieces one by one
G A Bm
You know it all, You know it all

Pre-Chorus:

G A Bm
The stars above are shouting out Your name
G A Bm
The universe is flooding with Your grace
G A Bm
Your pow'r, Your love can never be contained
G A Bm
Jesus, You're ev'rything

Chorus:

G A Bm G A Bm
Your love is my reality woah oh oh whoah
G A Bm G A Bm
Your love is my reality woah oh oh whoah [Intro x2]

Verse 2:

G A Bm
Like a diamond in the dust, sent from heaven to the cross
G A Bm
You gave it all, You gave it all
G A Bm
In the brightness of the skies, there's a fire that never dies
G A Bm
You are alive, You are alive

Rap Bridge:

G A Bm
Somebody pinch me, am I dreaming? 'Cos I can feel His love is all around me from the morning to the evening
G A Bm
I know He will never leave me. I could never stop believing
G A
You're the reason why I'm breathing. What a feeling, my reality. I'm seeing wonders ev'ryday
Bm G A
And Your majesty and Your splendour we celebrate. I'm alive with Your light, God, You're ev'rything
Bm
So I'm giving You my life, take ev'rything

Coda:

G A Bm G D
Your love is my reality woah oh oh whoah
