## Verse 1

**B**  
Your body was broken, Your body was beaten  
**G#m** **E**  
King of all heaven crucified  
**B**  
You were forgotten, You were forsaken  
**G#m** **E**  
Beautiful Saviour left to die

## Pre

**F#** **G#m** **E** **B**  
There you carried all the weight of the world  
**F#** **G#m** **E**  
On the cross you gave it all  
**F#** **G#m** **E** **B**  
Wrapped in darkness all alone in the grave  
**F#** **G#m** **E**  
Now the stone lies rolled away

## Chorus

**B**  
Christ is risen, death is beaten  
**G#m** **F#**  
Christ you overcame  
**B**  
It is finished, Hallelujah  
**G#m** **F#**  
Christ will come again

## Verse 2

With power and glory, every soul set free  
King of all heaven raised to life  
Forever our champion, forever our anthem  
Beautiful Saviour lifted high
